## TENNESSEE VALLEY WINDS

A Murfreesboro Community Band

@TNValleyWinds

The Tennessee Valley Winds, originally the Murfreesboro Community Concert Band, is a nonprofit, all-volunteer community band that has been providing quality musical performances since 1984. The group performs several concerts in and around Murfreesboro each year—follow us on Facebook @TnValleyWinds or visit [www.tnvalleywinds.org](http://www.tnvalleywinds.org) to learn more. Thank you for supporting the arts, specifically music education, and the lifelong joy of playing our instruments.

## Thank You

We'd like to offer our thanks to the Stones River National Battlefield for sponsoring and hosting the concert today. We encourage you to learn more by checking out the visitor center. The Battle of Stones River began on the last day of 1862 and was one of the bloodiest conflicts of the Civil War. The battle produced important military and political gains for the Union, and it forever changed the people who lived and fought here.
