American Overture

unlike school or professional groups. Rarely do amateurs and professionals, young and old, get to work together. It offers a unique opportunity to learn and grow. The director is more of a guide than an authority figure, and does not assign parts or solos. It is expected that all will help each other by offering suggestions and sharing. Friendships are born of shared work and musical enjoyment.

The TVW has been able to offer opportunities for musicians to perform with other ensembles. They have shared concerts with the MTSU Faculty and Student Ensembles, the Nashville Symphony Orchestra, the Columbia Community Band, Motlow College Jazz Ensemble, and several Middle Tennessee school bands and choirs. They have performed at the Schermerhorn Symphony Hall on four occasions.

The founder of TVW and director from 1984-2000 was Joseph T. Smith. He is retired as MTSU Band Director and was inducted as TVW's first Conductor Emeritus for his many years of service and dedication. Under his direction, the band performed at several TMEA conventions, the Mid-West Clinic International Conference, and even performed in London, England.

From 2000-2009, the band was under the direction of Terry Jolley, who presently works for the Murfreesboro City School District. He has served as the band director at MTSU, Warren County HS, Overton HS, and in the Rutherford County School Sysytem. Mr. Jolley led the band to new heights and was inducted as the TVW's second Conductor Emeritus in 2010.

After an extended search in 2010, TVW was pleased to welcome Mr. Erich Zimmerman as their new conductor and Mr. Greg Lawson as their new associate conductor in 2011. We look forward to many more great years under their direction and leadership.
